Making A Splash

For the second year in a row, a record number of campers were a part of Camp Lutherhaven's summer program. Over 1670 children, youth and adults were a part the activities that happened at Camp this summer with "DIVE IN!" as a theme based on Colossians 3:12-17. God's blessings were richly abundant throughout the summer and there were many ways in which he revealed His goodness. Here are a few of the summer's highlights:

Making a splash during the summer of 2004.

- Over 400 campers joined the Polar Bear Club by jumping in Lake Muncie early every morn ing while here.
- The third year of International Camp was a success with sponsored campers from Africa, Mexico, Burma, and Vietnam merging with our mainstream campers to learn lots about each other, world cultures and food, and especially Jesus.
- Servant Event Go! traveled to Marengo, Indiana to assist with the clean-up task of tornado destruction.
- Regroup camp was the largest it has ever been with nearly 90 high school youth in attendance.
- More than 50 Developmentally Disabled campers had to opportunity to come to Camp to spend their vacation with our staff and volunteers.
- Clubhouse campers cooked outdoor meals for over 600 people through the course of the summer.
- Servant Event All Nations Outreach ran a day camp for refugee campers who are residing in Fort Wayne.
- Counselor Carrie Camp's cabins won a Clean Cabin Award every day of the entire summer.
- Thirty-two Summer Staff members were the hands and feet of Jesus for 11 weeks this summer.
- Caves in Southern Indiana were explored by high school youth on the Tri-C Trip Camp.
- Two Family Camps were well attended and families built great, lasting memories.

Above all, the name of Jesus was proclaimed, sung, and taught as we gathered at the foot of the cross and in the midst of His creation, carrying on the legacy of faith that has been passed down to us in this place and beyond.

A Relational Ministry
In The Midst Of
God's Creation

From the Director

Several weeks ago my family and I took a few vacation days and did something many of you may find odd - we went camping. We drove down to Turkey Run State Park, braving the chilly nights to discover the incredible canyons, huge trees, and diverse wildlife. We were blessed to have clear blue skies and safe journeys along the roads and trails we traversed. Although the landscape was breathtaking, it was hard at times to look past the grafitti that had collected throughout the years in the soft sandstone and smooth Beech trees. Apparently, it was not enough for many to gaze upon the creative hand of God - they were drawn to leave their mark.

After several conversations with my children of why we weren't going to join in on leaving our own mark, it occurred to me that there is something very natural going on. As humans, we like to know that we are not temporary, that what we do makes a difference, and that we will not be forgotten. However, a quick look at the past quickly verifies that most people are eventually forgotten, at least by the history books and population at large. That's a sobering thought.

Recently a very important man to Camp Lutherhaven, founder and past director Gene Burger, was awarded the high honor of the Sagamore of the Wabash partly because of his role in starting Camp Lutherhaven. Mr and Mrs. Burger have accomplished much throughout their lives, but if you spend some time with the Burgers you will find that they understand life here on earth as centered in the purposes of God, not in the accomplishments of man. God's Word says,

"Do not store up for yourselves treasures on earth, where moth and rust destroy, and where thieves break in and steal. But store up for yourselves treasures in heaven, where moth and rust do not destroy, and where thieves do not break in and steal." Matthew 6:19-20

God built into each of us the desire to continue on, to have a lasting purpose. Praise God that what He has created in us He has also provided for, through the gift of redemption in Himself. I am ecstatic that you and I are given the amazing gift of Life with Him forever.

No grafitti necessary.

Traveling Mercies - A Retreat for Women at Camp Lutherhaven
Each woman's journey through life has a unique assortment of beauty, baggage, and bumpy roads. Women of all ages are welcome to the 12th annual Women's Retreat at Camp Lutherhaven on January 22-23, 2005. This get-a-way retreat, with 1-night, 2-night and 'Saturday only' options, weaves together a restful blend of faith, friendship and fun. Powerful, faith-application Bible studies and worship, insightful workshops and great food combine to bring you a weekend gathering that will refresh your heart and nourish your soul.

This year's keynote presenter is Cathy Jantzen. Cathy is a Mental Health Counselor and Administrative Director at Family Care Center in Ft. Wayne, Indiana. Born and raised in Ft. Wayne, she attended Purdue during her undergraduate years and St. Francis for her Master's degree in Mental Health Counseling. Cathy brings a love for the Lord and His power to transform from the inside out. Don't miss this message of hope and healing along your life's journey.

Once again, this year's retreat can begin as early as 2:00 pm on Friday for those desiring some extra time away. For a small additional fee, Fabulous Friday is packed with quiet, refreshing possibilities. Some women enjoy this extra day to simply rest and relax with a dear friend. Others enjoy extended personal quiet time, workshop opportunities, a long winter hike, or an uninterrupted day of scrapbooking.

A Fabulous Family Retreat

January 28-30, 2005

Passing IT On. There are some things we don't want to pass on to our families, like the flu bug, bad habits, or receding hairlines. Yet families have been empowered to pass on great and noble gifts: integrity, faith, hope, and love. Spend this weekend in the love of Christ, loving your family. This family fun event is a great winter break for families to regroup, celebrate, recreate, and grow.

Brenda Jank, author and full-time mom, will share excerpts from her writings on sharing joys and memories with your families and children.

Come out for the winter beauty and fun at Lutherhaven. Enjoy Christ-centered worship and devotions, meet new friends, play in the snow, and more. Come join us for a great weekend and enjoy passing His love on to your family.

Celine Newman

New Ministry Impact Worker

Camp Lutherhaven is excited to have Celine Newman join us as this year's Ministry Impact worker. And by the photo, you can tell she is too! She arrived in September following her second year serving on Lutherhaven's summer staff.

Celine was born and raised in the town of Gallup, NM. She lived with her mother, Donna, father, Marvin, and brother, William. In high school she was actively involved in youth group, soccer, swimming and band.

She attended college at Concordia University, Irvine, CA, where she continued her music studies with oboe, handbells, and directing. Celine also spent times on international and youth ministry teams. She is currently in pursuit of a double major in Music and Director of Christian Education.

When asked about her time here at Camp she replied, "It is exciting to see a different side of ministry going on here. Camp Lutherhaven has many different programs that service all varieties of people. I thank God for the opportunity to be a part of that."

The Ministry Impact position at Camp Lutherhaven runs from August to May. If you or anyone you know might be interested in this unique opportunity for Fall 2005, please contact the Camp office at 260.636.7101. Applications are accepted at any time.

Camp Volunteers Are Priceless!

Can you put a price on a person? People assign worth to a sports player through a contract or create a list of the "top 100 billionares of the country." A person's worth, however, is much more than a monetary amount. Lutherhaven has the privilege of having some of the most *priceless* people around! Camp Lutherhaven volunteers give of their time and talents all for the good of the Camp, so that visitors might have a chance to be eternally impacted by God and His Creation around them. If you know one or two of the people listed below, say "thanks" to them because they are some of God's *priceless* people!

Lost & Found

Many have come to Camp Lutherhaven in the last several months and some of them are still here! No, we didn't add a multitude of new staff or have a legion of campers that were orphaned. But we do have oodles of lost and found items that were never claimed by their owners.

If you think you brought something to Camp and you haven't been able to find since returning home, there is a good chance it is here and waiting for you. Give the Camp office a call at 260.636.7101 and we will help you claim your lost article.

We will be holding on to the items until January 1, 2005, at which time they will be donated to a local charity.

A Great Big THANKS

They battled mosquitoes, illnesses, splinters, pranks, late nights, and homesickness and they came out tremendously, demonstrating the love of God to over 1600 people who were a part of Summer 2004. The Summer Staff members were diverse in their backgrounds, camp experience, and geography but came together well, bonded with a common Creator and purpose, to serve mightily. A special thanks goes out to these fine young men and women of faith. Their time and talents were and are truly appreciated by many, and their impact will not soon go away.

New Office Administrator

Peggy Kreger joined the Lutherhaven year-round staff in August as the new Office Administrator. She previously was the store manager for Family Christian Stores in Fort Wayne.

Living in Noble County as a young girl, Peggy has always enjoyed camping. Peggy became a Christian at a church camp many years ago and feels blessed to be a part of the ministry of Camp Lutherhaven.

Peggy Kreger

Peggy and her husband, Bill, now reside in Churubusco with their three children, Kenneth, 14, Barbara, 12, Elizabeth, 10, and their two black labs, Harley and Duke.

In her free time, Peggy enjoys scrapbooking and cross-stitch. The family recently became involved in Civil War re-enacting. Although Peggy enjoys her role as an 1860's civilian woman, (cooking over the open campfire, quilting, and portraying her first-person role as Louisa LeGrand), she says, "I never really appreciated a comfy pair of sweats as much as I do since re-enacting. Corsets and petticoats get awful heavy and cumbersome just by the end of the weekend. No wonder those women always looked tired!" The Kreger's also enjoy "modern" tent camping as a family.

Camp Board Of Directors

Although this group of men and women often go unoticed, they play a profound role in the ministry of Camp Lutherhaven. Serving Lutherhaven with their gifts of leadership, expertise, time, contacts, experience, ideas and support, they provide the ongoing foundation for everything else that happens. A big thank you to all past board members and the current board of directors:

Rev. David Easterday	*Tim Maxson*
Adam Gaines	*Steve Moore*
Bill Habegger	*Mark Oetting*
Doug Haupt	*Carl Reinking*
Kathy Koeneman	*Gary Stair*

If you, or someone you know is interesting in serving on the board of directors, please contact Camp at 260.636.7101.

The ministry of Camp Lutherhaven is what it is today because it has at its foundation a community of supporters that are prayerful, generous and committed to the cross of Jesus Christ. The Staff and Board of Directors at Camp Lutherhaven wish to warmly thank all those who have joined hands with us in our endeavor to sustain an outdoor ministry dedicated to the great commission through year round and summer camping programs for children, youth, and adults. If anyone is missed below please notify the Camp office so we may correct our mistake. Many also give beyond our ability to record through in-kind donations and volunteerism. Thank you all!!!

Thank You!

We're A Team!

There's exciting things going on and you help make it all possible! Lutherhaven values your investment in this ministry with your time, talents, and treasure. Each gift makes a huge difference because it is God who works through it. Some ways for you to *team up* include:

Fish & Loaves Club

We're at almost 20% of our goal of 5000 gifts of at least $10 each. This newly formed giving club is a great way to support the ministry of Lutherhaven from the youngest to oldest participant.

Become a Partner

When you donate at least 10 hours of your time *-or-* make a donation of $100 or more each year for the ministry of Lutherhaven, you become a partner with others to promote and support an effective and unique ministry of the Church. Partners serve as core supporters of Lutherhaven and therefore also have input at Camp's annual meeting in September.

Campership Fund

This fund is an important, annual need as it provides assistance to families who do not have the financial resources to experience a summer camp program at Lutherhaven.

If you're a Thrivent Financial member, don't forget their GivingPlus program which matches gifts from $50-$400 with $1 for every $2 dollars. Jobs For Summer 2005

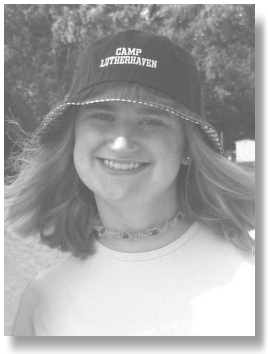
Do you know someone who would be great with kids and has a heart for serving God? We'd love to get in touch with them for our summer staff of 2005.

Camp Lutherhaven is looking for dynamic, Christian, young adults to serve as counselors, lifeguards, medics, cooks, program staff, and maintenance staff in our summer program. Staff members serve for approximately 11 weeks in the summer and will be a part of a 30-member team serving youth, children, and adult in the setting of Camp Lutherhaven. Applicants should be at least college-aged and available to begin training on Memorial Day, May 30. Interviews will take place after an application has been completed and positions will be offered in February.

Staff members receive a salary and are given free room and board. Beyond the tangible compensations, past summer staff members often refer to their experience as a profound impact on their life as they have grown in their faith and in God's Word as well as making life-long friendships.

If you or someone you know would be a great part of the 2005 team, please contact Mike at the Camp office or visit www.lutherhaven.org/staff.htm for more information.

Camp Goes to Chicago



The summer staff of Camp Lutherhaven do amazing work in the months of June - August here in Indiana. We are blessed to have such fine young people in our midst. But what happens the rest of the year? We would like to share just a glimpse of one such special person.

Last year's summer staff attend about 15 different colleges and universities (including 5 LCMS universities). One is studying in London, another is serving here as Ministry Impact worker, several have moved into the full-time work force, a percentage volunteer with ongoing youth ministries, and three are currently student teaching. One of those young ladies is Carrie Camp, a counselor here the last three summers. She is a senior at Hope College in Michigan and is a part of a unique experience of which she describes in her answers to the following questions.

1. Tell us a little bit about the program.

The Chicago Semester is a professional, urban internship program in Chicago. The program provides internships for students in all areas, including business, art, journalism, English, accounting, social work, nursing, and teaching. This semester, there are 60 students in the program. Most students in the program live in the city with other students from the program in housing in the Loop, the Gold Coast, or Lincoln Park.

2. How did you get interested in it?

I became interested my freshman year. I wanted a student teaching experience that would be different from what I would get in Holland, MI. Plus, they mentioned the great arts package I could get as a student. I go to an arts event every week, such as a play, an art museum, a poetry reading, etc,

3. Why Chicago?

If I wanted to student teach outside of Michigan, I would have to do it either in Chicago or on the Rosebud Reservation in South Dakota. I took a May Term on the Rosebud Reservation this past May, teaching in a school there. So, I wanted a different experience. I also love Chicago and am looking at possibly teaching around here after graduation.

4. What drew you to work in an inner city setting?

I grew up in Northwest Indiana, next to Gary, Hammond, and the Southside of Chicago. Surrounding me were always the inner city problems. Plus, my dad (Roland), teaches at an inner city high school. Some people feel called to mission work overseas. However, I have felt for a long time that God has called me to the inner city, at least for awhile.

5. What are some skills that you learned as a Counselor at Camp that have come in handy in this setting?

As a counselor, it is super important to have a sense of humor. Since I am dealing with Kindergartners, I would be frustrated all day long if I could not take some time to chuckle. At camp, devotion time is also so stressed and helped me get through every day. Away from camp, I find that if I don't make personal devotion time, my days don't go well and I find myself burned out much faster.

6. What are some of the joys you've experienced?

There are many joys. The students learn so much material so quickly, and it's exciting to see them remember things I thought they wouldn't. It has also been a joy getting to know some of the students and listening to their stories. The element of *story* in the all african-american class has been so evident. Plus, the teachers at the school are very helpful and give me so many new insights.

7. What is the most significant thing that you've learned so far?

I've learned more about the importance of communication. Communication with my cooperating teacher is so important so I can get feedback, I can give her feedback, and we can work through classroom issues together. Communication with students helps them know what is expected of them and helps me find out where they are coming from. More important than anything else, though, I've found out that God can use me in any situation, whether at camp, in a school in Michigan, on an Indian reservation, or in the inner city.

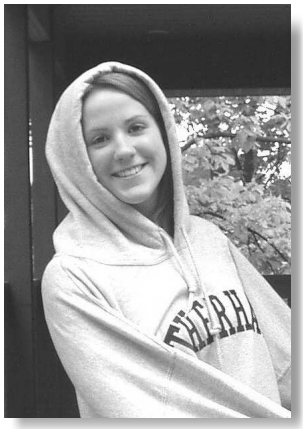
Golf Outing "Fairwayed" Well

September 19 marked a beautiful day for the Lutherhaven Golf Outing when 39 golfers joined in a round of 18 holes at Cobblestone Golf Course in Kendallville, IN. Beginning at 1 pm, groups of 4 began with a shotgun start playing best ball. Four and a half hours later lots of terrific golf memories were made including lake drops, long drives, missed balls, getting a golf cart pelted by an misguided drive (plexiglass is an amazing material), awesome puts, and high arching irons, to name a few. Shortly following the golf, dinner was served at the clubhouse where prizes were awarded for the best three scores, longest putt, longest drive, closest to pin, "worst" dressed golf team, and most golf savvy golf team. Congratulations to the winning team: Duane Thieme, Tim Frey, Justin Presnol, Bill Walsh. All in all, Lutherhaven raised almost $2000. Make sure to look for next year's event where we'd love to see you and your friends.

A Unique Christmas Gift



Meredith Gaines shows off the popular "hoodie" sweatshirt

Looking for a unique Christmas gift for the special people in your life? Lutherhaven is offering two possibilities this holiday season. They are Camp Lutherhaven gift certificates and Lutherhaven hoodie sweatshirts.

Brand new to Lutherhaven, gift certificates can be used for a number of purposes. They may be applied towards part or all of the registration cost for a summer camp session. The gift certificate can be used for any of the year-round retreats for families, women, men, or youth. Or, the recipient of a Lutherhaven gift certificate may decide to use it to purchase a t-shirt, sweatshirt, or hat from the camp store the next time they visit Camp Lutherhaven.

Also, back by unbelievably popular demand, are hooded sweatshirts available for sale. These were so chic this summer that we couldn't keep them on the shelf. When we did finally receive a new shipment of these collegiate-styled embroidered articles, over 50 sweatshirts were sold in less than 48 hours. The price is $28 per sweatshirt along with $5 for shipping and handling. The sizes are adult sizes from small through XXL and letter and sweatshirt colors include white on royal blue, white on light blue, brown on light blue, white on red, white on orange, navy blue on orange, white on purple, antique white on navy blue, antique white on maroon, antique white on forest green, light pink on black, silver on black, and navy blue on kelly green.

Order gift certificates or hooded sweatshirts by calling the Camp office at 260.636.7101. Order fast as colors and sizes are limited.
