Fall/Winter 2012

Rock'in It In 2012

"The Rock, his work is perfect, for all his ways are justice. A God of Faithfulness and without iniquity, just and upright is he. Deuteronomy 32:4

Throughout this past summer the community at Lutherhaven lived and learned that God is our rock, the only thing worth placing our faith upon. What a thrill it was to stand upon this Rock as we welcomed over 1500 children and youth into the fun, the craziness, and the joy found at Camp Lutherhaven. It is also a blessing to be able to partner with other "rock-based" ministries and people throughout the summer.

This year we worked closely with multiple ministries and people. L.A.M.B. again joined us for three summer programs: Burmese Mission Outreach, All Nations Outreach, and Passport Adventure Camp. Noble County DCS and The Studio, both of whom serve local youth and benefited from Camp's campership grant from The Lutheran Foundation, sent 23 youth to attend summer programs. In addition several churches and individuals also provided their own scholarships for Camp. A new partnership that formed this year was with Dusty Dreams Horse Ranch where 17 campers got to spend time learning how to take care of and ride a horse. Eric Kaschinski led B-ball Camp, Chris

1st Samuel 7:12 - our Lutherhaven ROCK story

Murphy led Drama Camp, Pastor Jim Keller helped out with All Nations Outreach and International Camp, Diane Cruze assisted with Horse camp and Kathy Morse, Margie Wickert, James Pippin, and Pastor Eggold helped with training the summer staff. There are also the many volunteers that serve through the Nurse of the Week program, guest pastors every Sunday, and the families and individuals that come out to serve over Memorial Family Work Weekend. When we look around and see the community that supports and partners with Lutherhaven we can't help but praise the Rock. Thanks for a great summer! See you next summer for...

From the Director

What A Year..

Camp Lutherhaven has so much to be thankful for as we consider the blessings of this past year. Grants for technology, new cabins, and helping kids come to camp; Increased attendance this past summer where more children and youth experienced a Christian summer camp; scores of volunteers who give so much of their time and talents; significant improvements that will serve many families, churches, and groups for years to come; and of course a God that provides this special place to be a blessing to you and God's kingdom.

I hope you're able to look back over this past year and see God's hand at work - and if not right now, putting

your faith in His promises of grace and provision still to come.

Over 2000 years ago, God's hand was at work fulfilling the promise of our Messiah in the birth of Jesus the Christ. May your Christmas be bright with the light of the world guiding your path into 2013 and beyond.

We hope to see you next year at one of our winter retreats, summer camp, or Chicken Dinner where we will once again celebrate the Life we share in Christ.

Summer Staff or Volunteer = You?

Morgan is delighted she is about to score in Capture the Flag - or will she?

When June arrives Camp becomes host to over 1,500 people throughout the summer. To effectively minister to each person, Lutherhaven relies upon the addition of over 80 staff and volunteers. These people are committed to making each person's experience exceptional. With this in mind we are beginning to seek out

staff and volunteers for next summer who are passionate about the ministry of Camp - and we need your help! Our needs lie in the ministry areas below.

Summer Staff:

Think you have what it takes to lead a group of eight campers for ten weeks in the summer? Or can you cook up one mean casserole for two hundred people? Are you certified as a lifeguard? Can you handle a weed whip and lawn mower with the greatest of ease? If you have answered "yes" to any of these questions, you may be just the right person for Camp Lutherhaven Summer Staff 2012.

Camp Lutherhaven is now starting its search to fill over 25 positions for the upcoming summer

season. These are full-summer positions that are typically filled by individuals who are 18 years old or older and have finished at least one year of college. Positions that are available include cooks, counselors, lifeguards, maintenance, medic, and program staff. Potential applicants will receive a week of training and need to display a heart for God, a love of kids, and a desire to serve.

If you are or know someone who might be interested in such positions, please contact Celine Newman or go to Camp's website at www.lutherhaven.org to find out more. Don't be left frantically hunting for a summer job in the spring when there may not be jobs left to fill. Apply today! You can make an eternal difference!

Junior Servants:

The Junior Servant program is for 9th-12th graders. Each Junior Servant stays for 2 weeks and assists with various tasks around Camp, helping with camp chores and spending time with campers. The program also includes time for Bible study, team building and recreation. This program is very popular. With only 45 spots available, it fills quickly. Look for registration to become available online mid-January along with the rest of the summer programs.

Nurse of the Week

This volunteer position is for both registered nurses and medical doctors. The Nurse of the Week assists our First Aid Coordinator with the medical needs of the summer camp program for one week. They are able to bring their family as well as register their children in one of Camp's summer programs for half price. To

If you would like to volunteer for Camp this summer in a capacity that does not fit into one of these categories, that's great too! Please contact the office so we can plug you into a spot that best matches your gifts. Contact us at camp@lutherhaven.org or 260.636.7101.

Summer 2012 Volunteers

In addition to our summer staff, Lutherhaven has many volunteers who assist in the ministry provided each summer. We would like to thank them for their gifts of time and talents. If you know one or two of them, encourage them and say a quick prayer of thanks for them. They have been a tremendous blessing to Camp Lutherhaven.

2012 Summer Staff

A great big THANK YOU is due to each and every one of the young men and women that served the Lord on Lutherhaven's staff during the summer of 2012! This amazing group of individuals spent their summers leading devotions, playing games, singing songs, and above all sharing the love of Jesus Christ with all the campers and families that came through our programs this June thru August.

The staff came to us from seven different states and 13 different colleges. They brought with them a wide variety of God-given gifts and talents that blended together to make the summer of 2012 an incredible experience for everyone involved. Staff you are loved and will be missed! Thanks again for all of your hard work and your willingness to work for God's kingdom!

New DCE Intern & Ministry Impact Workers

Katie, AJ, and Riley enjoying both the serious and fun side of Camp. Although how serious can one take a candy corn sweater?

Another fall season has begun with the help of two new Ministry Impact Workers and Camp's first DCE (Director of Christian Education) Intern. AJ Jabarin and Riley Koenemann are this year's Ministry Impact Workers. Both have previously served at Camp Lutherhaven during the summers of 2011 and 2012. Now they are back as the Ministry Impact Workers. Katie Wisnieski is new to Camp Lutherhaven and will be serving as the DCE Intern this year. All three of the workers started their position in August of 2012.

AJ Jabarin is 22-years-old and hails from Crown Point, IN. When he was 12-years-old he started to play the cello and eventually had thought that cello performance was going to be his career all the way through high school. However, when he turned 17, he decided to enlist in the Army as a Chaplains Assistant. After his service period, AJ went on to study Psychology at Purdue University. AJ served as Waterfront Director his first summer at Camp and as a Counselor this past summer. Now, AJ is taking this year off of school to be a Ministry Impact Worker in hopes of overall clarity

and peace for his future. Some of AJ's hobbies include: music, running, and computer gaming. AJ is very glad to be part of the Lutherhaven staff and looks forward to what this year brings.

Riley Koenemann is 21-years-old and grew up in Fort Wayne, IN. He graduated high school from Concordia Lutheran High School in 2010. He currently took a year off of school at IPFW to explore different major options. Riley has been part of the Camp Lutherhaven Summer Staff family the past two years as a Counselor. Some of Riley's hobbies include: running, being outside, and exploring God's creation with others.

This year Camp also welcomes its first Director of Christian Education Intern, Katie Wisnieski. Katie is 22-years-old and is from Olathe, Kansas which is a suburb of Kansas City. She is a recent graduate of Concordia University Texas in Austin, TX where she specialized in Outdoor Ministry. Upon her completion of this one year internship at Camp Lutherhaven she will receive her DCE Certificate. Katie loves to be outside and is blessed to have a position that lets her do that

Give the Gift of Camp

Do you know what to get your friends and family for Christmas this year? It can be difficult to find a gift that is meaningful, and not just "stuff" that will soon be forgotten. This Christmas, something to consider is giving the gift of Camp. Don't worry we're not selling the property! What we are offering is the chance for you to share Camp with somebody who you think would benefit.

Think about the people in your life. Is there a child who has never been to Camp before? Is there someone who would be unable to attend a camp program under normal circumstances? Or do you know someone who just loves Camp? Whatever the situation, this is a gift that could make a huge difference in their lives.

To make this possible, Camp Lutherhaven offers gift certificates for many different purposes. They may

be applied towards part or all of the registration cost for a summer camp session. They may also be used at the camp store to buy a t-shirt, or perhaps a stuffed moose. Or, gift certificates may be used for any of the year-round retreats offered for youth, adults, and families.

This Christmas give something different and that can make a difference. Give the gift of Camp!

Contact the camp office at camp@lutherhaven.org or 260.636.7101 for more information or to purchase a gift certificate.

daily. She is also pleased to be back up "north" in Indiana and to be at Lutherhaven beginning her service in ministry.

The Ministry Impact positions at Camp Lutherhaven typically run from August to May. If you or anyone

you know might be interested in this unique opportunity for Fall 2013, please contact Tim at the Camp Office at 260.636.7101. Applications are accepted at any time. We ask God's Blessing on AJ, Riley, and Katie in their continued service.

New Improvements

Playground, Koenenia, Lodge Dining Room

Along with new cabins, there are several other noteworthy improvements that happened or are coming soon to Camp Lutherhaven. This past summer, a new playground was built, thanks to over 30 high school, servant eventers and the leadership of several adults and helpers including Joe Palinkas, Marilue Brunstetter, Marty Koenemann, Monica Berning, Matt Berning, Jim Berning, Treven Brown, Clinton Bienz, Russell Bauman, and more. A new climbing wall, two levels of monkey bars, teeter totters, and more swings have been installed. One stair towers, railings, and a new corkscrew slide are still to be erected to complete this exciting project.

Koinonia is the name of one of Camp's devotion sites. It means Christian fellowship or communion with God or with fellow Christians. Built back in the early 1990s, it has been in need of attention lately and God sent an Eagle Scout as the answer! Corey Nack has chosen Koinonia as his Eagle Scout project beginning in 2013. Plans include new bleachers, a landscaping cross, fire ring, and site work. "We are so thankful for Corey's heart to serve Camp in this way and can't wait to see the blessing to campers this will be," stated Director Tim Jank.

Costs are estimated at \$10,000 which Corey is raising as well. If you would like to help with the cost, you can write a check directly to Camp Lutherhaven using the included envelope or from Camp's website noting the Koinonia project.

Also, check out the Lodge Dining & Game Room the next time you're at Camp to see the new interior

Director Tim Jank testing out the climbing portion of the new playground

of the lodge, including new painted walls as well as a new floor being installed this winter. These are thanks to a generous donation from Johnsonite and the volunteer talent of Ken Finner who led some of us in the

Ken putting his expert skills to use on the 3,000+ sq/ft. Lodge floor

ways of floor installations.

Finally, Susan Leo saw a need in the Junior Servant girls' residence and personally has transformed it with new paint, decorating, and fixtures. We thank her for her help in making things more inviting for the lucky girls next summer.

PawPaw Patch: Fact or Fiction?

*Where, oh where, oh where is Susie?
Where, oh where, oh where is Susie?
Where, oh where, oh where is Susie?
Way down yonder in the pawpaw patch.
Pickin up pawpaws; put em in her pocket.
Pickin up pawpaws; put em in her pocket.
Pickin up pawpaws; put em in her pocket.
Way down yonder in the pawpaw patch.*

If you've been a camper or staff member at Camp Lutherhaven in the past 20 years, you probably have heard this song more times than you'd like to remember. Suzie is one of Camp's favorite traditions and involves a marked up clothespin, a small wicker elephant, and an assigned task that usually brings a combination of embarrassment, glee, disgust, laughter, and absurdity. If you are not familiar with this tradition, it is an activity that is participated in by the summer staff. They clip a decorated clothespin named Suzie to each other throughout the day. When dinner rolls around, the staff member that enters the Dining Room with Suzie and after singing the famous song, will have to perform a wacky task in front of all the campers that is pulled out of a small wicker elephant basket. A tradition loved by staff members and campers alike, (especially campers)

Riley rediscovering Camp's Pawpaw patch

very rarely can staff members avoid getting Suzie - so it's only a matter of time until she ends up attached to you.

But what exactly is a Pawpaw patch you might ask? A Pawpaw is a tree that reaches about 20 feet in height. The trunk is around 8 inches in diameter. Pawpaw leaves can grow to a foot in length and produce fruit that can weigh up to a pound and up to six inches long! The fruit produced by this tree is the largest edible fruit native to America. Take that watermelon!

After singing that song almost every day during summer camp, it's hard not to wonder if there really is or was a pawpaw patch located at Camp. We brought this question to past staff member and nature extraordinaire, Don Schroeder. It turns out, Lutherhaven is blessed to have its very own pawpaw patch numbering over 100 trees! The patch of small trees is located just down the path from the Koinonia devotional site. The next time you are at Camp, take a moment and see if you can find Lutherhaven's special pawpaw patch that thousands have sang about every summer. Now where is Suzie?

Thrivent Choice Dollars

Send **FREE** Money to Lutherhaven!

Yes, you read that right! Are you a member of Thrivent Financial for Lutherans? If so, Thrivent Choice is your opportunity to direct some of Thrivent's charitable dollars to Camp Lutherhaven.

With the new Thrivent Choice Dollars program, Thrivent policy and account holders are able to direct, in many cases, a gift of between \$25 to \$500 to the Lutheran charity or charities of their choice. This will be based on the value and types of accounts, policies, etc., that they hold with Thrivent. (No gift to the charity from the individual policyholder is necessary.)

It's also easy to do! To find out more, go to their website at www.thrivent.com/choice or call 800-THRIVENT (800-847-4836) and state "Thrivent Choice".

Thanks for designating Camp Lutherhaven as your Thrivent Choice! We treasure your support that reaches out with the love of Christ in the unique setting of Camp!

You can also make a direct donation to Lutherhaven by sending a contribution in the enclosed envelope or by going to our web page and making a donation with your credit card.

You can also help out Camp in other ways using your time and talent. You can find more details on our web site at www.lutherhaven.org.

Lost & Found

Are you missing your sleeping bag for slumber parties back home? Did your favorite t-shirt or hat disappear from your suitcase when you got home from Camp? Your missing stuff could be in our Camp lost and found! We would be more than happy to reunite you with your lost belongings. If you think you left something at camp, please call the office at 260.636.7101 or email us at camp@lutherhaven.org

lutherhaven.org. We will hold all lost items until December 22, 2012, after which any remaining items will be donated to a local charity.

New Cabins Update

If you were up to Camp this past summer, you already know that the first triplex cabin structure, cabins 4,5, and 6, is complete and in fact was used with great success. Many financial gifts and the labors of over 100 dedicated volunteers including volunteer leader Jim Berning, spent an estimated 3600 hours erecting the future for generations of campers to come.

This fall, phase 2 of construction has begun and we need your help once again.

Year 1

1st Cabin Triplex (built and funded already)

Year 2

2 more Cabin Triplexes

Year 3

Final 2 Cabin Triplexes

The remaining cabins are estimated at \$90,000 each.

The pictures tell the story and continue on the next page. This year, two triplexes are being constructed with the final two slotted for next fall. Both cabins are already framed and shingled, but there is lots still to do including electrical, insulation, interior walls, caulking, staining, interior and exterior siding, porch construction, painting, grading, landscaping, trimming, and more.

Three cabin groups of girls enjoyed their new residence in 2012. This year, it's the boys' turn to receive new cabins which will house 6 cabin units of 1 counselor and up to 8 campers. As funding permits, the final two triplexes will begin in the fall of 2013 completing the 3 year plan to update Lutherhaven's cabins with 5 triplex structures housing up to 15 cabin units.

Promise Land

A Women's Retreat at Camp Lutherhaven

The Promise Land. More than a place of “milk and honey,” it's actually a place few people wanted to go (Numbers 13:27 to 14:4). The dangers and obstacles loomed larger than the promised rewards. Each of us are on a Promise Land adventure of one kind or another. The promises given to the Children of Israel are the same promises God extends to us today. The Truth and power of God's Word equips us every step of the way. Join us as we begin the New Year from a position of praise, promise and the Presence of God.

Camp Lutherhaven is hosting its 20th annual “New Year” retreat for women January 25-27, 2013. This peaceful, inspirational getaway has become a treasured event for 120 women, but there's still room for more. The retreat is crafted to be an “intentional pause” restful, reflective, and empowering, yet fun and full of sweet fellowship with other women who share similar joys and challenges on their journey toward living a Light shining life.

This year's keynote presenters include an array of long-time Lutherhaven friends from the past 20 years: Jeanne Burger, Raeann Kusch, Dawn Modlin and Brenda Jank. The retreat will begin at 8:15 PM on Friday night with registration occurring from 7:00 to 8:00. It will conclude after lunch on Sunday. Prices will range from \$63 to \$124 depending on lodging choice. Lutherhaven also offers 1-night, 2-night and Saturday only retreat options. Choose the option that works best for you.
